

Eberswalde Zoo Gastronomy and Catering

Our locale in the Eberswalde Zoo lies beyond the noise of our times. Our house offers meals from small snacks to menu options for festive occasions. We always create delicacies for you to enjoy.

Child-friendly and handicap-accessible are no advertising gimmicks for us. We offer suitable ramps and accessible toilets for the handicapped, a baby changing room, and reasonable prices for children's meals.

When the weather is nice a summer terrace invites our guests for a place to take a break.

For events of all types, whether these may be anniversaries, family or company celebrations, we stand ready to meet your individual catering needs. We are available at any time, whether during the day, in the evening, or times outside of the zoo's opening hours.

Our experienced team individually tailors celebrations and ceremonies to meet your needs and wishes. It is also possible to combine your event with a stroll in the Eberswalde Zoo. For that we offer a special discount.

For evening celebrations, the admission fee to the zoo is no longer required.

We look forward to advising you in detail, and it is possible for us to present an attractive offer even with short notice.
