

## **Finesse Catering - What we can do for you**

Our innovative company is headquartered in Eberswalde, Germany and asserts itself in the fields of commercial food preparation and catering and has done such successfully for many years. Even beyond the borders of Eberswalde, we are pleased to offer our catering and food service.

We are active in the following five business areas:

1. Business and private catering
2. Event catering
3. Sports and leisure catering
4. Clinic and elderly catering
5. Industrial cleaning und building services engineering  
(in cooperation with the Platz Company, Eberswalde)

In regard to our services, we prove our high-level of flexibility through our daily performance. We can draw from the basis of established logistics from our own gastronomic infrastructure, as well as manage the facilities on your premises.

We focus entirely on the needs of our customers when it comes to the composition of meals and drinks. Of course, if you are interested we also offer complete menu suggestions.

No matter if your preference is for regional cuisine that aligns with the dishes of the season, or international specialties, our chefs are prepared to find a suitable solution that meets your needs. In terms of freshness and quality of taste, there is no comparison.

Did we arouse your interest for the diverse services of Finesse? Do you have additional questions or do you wish for a tentative offer? Then please feel free to contact us! We are gladly at your disposal.

### **Finesse Catering Eberswalde** Catering, Party and Event service

From rustic to premium buffets, individual menus for sophisticated parties and receptions, to creative finger food and delicious office lunches – **Finesse-Catering** offers you full service with everything to do with events and catering.

To ensure the resounding success of your event or function, **Finesse** offers assistance in preparation and planning. Our event service organizes and plans the cooperation between catering/party services, tent rental/location and event technology.

As a customer you will profit from our many years of experience in areas such as finding suitable locations, equipping the selected location with the proper furnishings, technology, and decorations, as well as organizing the supporting programs for events. For all additional services we offer one-on-one assistance, and, therefore, we guarantee flexibility with your budget. With a team of professional and friendly chefs and service staff we round up our services to cater your event. Our holistic planning

creates the freedom you need to concentrate on the essential point of your event, your guests.
