

The Hotel finesse... *pure hospitality*

Our charming hotel in the center of Eberswalde lies only a few minutes from the "Familiengarten" (Family Gardens), a recreational area which formerly hosted the state horticultural show.

The Hotel finesse offers 20 single and 20 double-bed rooms, each tastefully furnished to provide the most pleasant atmosphere for our guests. The rooms are equipped with the comfort of our guests in mind, and are sure to make you feel at home, regardless if you are traveling for business, or vacationing with your family.

Three conference rooms with fully equipped technology systems and exclusive banquet and catering services are available to meet the needs of different event requirements. A sauna landscape is a distinguishing feature of our hotel and is known as the most beautiful in the Barnim district.

Our house is a non-smoking hotel complete with two wheelchair-accessible rooms and a large number of parking places.

For cyclists we offer a "bed and bike" hotel with sufficient accommodation, as well as lockable shelters for your bicycles. Parking bays for touring buses are located directly beside our hotel.

From our hotel, your journey to different destinations around Eberswalde can begin.

Our hotel restaurant "Vis-à-Vis" is sure to spoil even the most sophisticated of guests with its selection of fine cuisine. Free access to high-speed Internet using a W-LAN connection rounds off the deal.

EXCURSION TIPS

Cultural destinations and Sightseeing

Chorin Monastery

A unique mixture of culture and history. Guided sightseeing tours are available with previous arrangement. The Cistercian monastery is a place for reflection, yet its delightful park landscape invites visitors to linger and enjoy a picnic. Our chefs are more than happy to put together a superb picnic basket for you. For the annual "Chorin Music Summer" we have arranged a special offer for those interested.

Ship Canal Lift in Niederfinow

The impressive structural steelwork was established on March 21, 1934, as the largest facility in Germany at the time. Today the ship canal lift is among the technical monuments in the history of transportation. Ships are capable of overcoming a height difference of 36 meters with the assistance of the lift. Reservations for visits and guided tours are possible for groups with prior arrangement (seasonal restrictions may apply).

Aviation Museum

The historical aviation museum located at the Finowfurt airport opened in 1993. It is the largest private display of its kind in the newly formed German states. Located on part of the former military airport in Finow, the museum shows approximately 30 airplanes, helicopters, engines, and models from the fields of civilian and military aviation.

Blumberger Mill

Located on 14 hectares of land on the edge of Angermünde, visitors can experience a part of nature. In combination with the information center of the Environmental Protection Organization, visitors will receive a detailed overview of the nature found in the Schorfheide-Chorin Biosphere Reserve. Allow yourself to be enchanted by the specialities of our region.

Schorfheide Wildlife Park

In the Schorfheide community/district of Groß Schönebeck, visitors can observe wildlife and original domesticated breeds typical of the Schorfheide forest and meadow landscape. An animal petting enclosure allows direct contact with the animals, and a system of trails with numerous benches invites park guests for an extensive walk.

Zoological Gardens in Eberswalde

Visit the smallest and most beautiful zoo in Germany. A zoo with an entirely different style and manner than one is familiar with. Many free-roaming animals create a more intensive level of contact between humans and the animals. Well worth seeing and interesting!

Forest Botanical Gardens in Eberswalde

The botanical gardens was founded in 1831-32 by Dr. Friedrich Wilhelm Leopold. It consists of an 8 hectar solitary arboretum with around 1100 native and exotic trees and shrubs and over 600 herb plant species, which are located on special areas for purposes of higher learning.

Sightseeing trips with guides are possible with advanced notification.

Family Gardens

On the grounds of the former Brandenburg state horticultural show, on the "Eisenspalterei," a fantastic park with a great fairy-tale playground, tangible industrial history, and beautiful green areas on the Finow canal, await visitors. The idyllically situated Café Liebermann and the "Walzwerk" Restaurant located in the tourism center are places of relaxing and cozy hours.

The vocational training team of the Finesse company is available for your catering accomodations. We are also pleased to host family and company celebrations (up to 500 Persons). Also in this season, widely diverse cultural and event offers are available to meet most people's needs. Upon request we can provide you with concrete dates and prices.

Extensive material for the Family Gardens and the region is available in the tourist information in the Tourism Center:
